

PULASKI COUNTY
APPLICATION FOR HAULING PERMIT

INSTRUCTIONS TO APPLICANT:

1. Print or type information below and sign written signature where designated.
2. Return forms A MINIMUM OF 30 DAYS PRIOR TO EVENT to: PULASKI COUNTY ROAD & BRIDGE DEPARTMENT, 3200 BROWN STREET, LITTLE ROCK, AR 72204.
3. Pulaski County will process application and notify applicant of approval or disapproval.
4. The following standard requirements shall apply to all approved permits unless otherwise noted in "SPECIAL REQUIREMENTS":
 - (A) No off road cteated hauling equipment shall be used.
 - (B) All trucks shall have adequate tailgates to prevent spillage.
 - (C) All personnel shall be available to sweep roads hourly or as needed to keep them clean from dirt or mud tracked onto the traffic lanes by truck tires, and that the roads be cleaned if necessary with high pressure water flusher.
 - (D) Trucks shall be loaded so that no part of the load extends over or above the sideboards of the truck, and loads shall be limited to 18,000 pounds maximum axle weight.
 - (E) If blowing or spillage of materials can occur, the contractor shall:
 - (a) Insure that loads are sufficiently watered down;
 - (b) Cover loads with a tarpaulin or wire screen of sufficient mesh to eliminate blowing or spillage.
5. Road and Bridge Department will contact Applicant and make appointment to jointly inspect road and structures.
6. Hauling contractors will be responsible for posting of signs at entrance/exit sites and must maintain roads during hauling, such as potholes, base failure, etc.
7. Hauling contractors will not be permitted to haul on County roads during freezing or thawing weather conditions.
8. Applicant will notify Road and Bridge upon completion or of any delay and arrange for another joint inspection.
9. Road and Bridge will notify Applicant of any damage and the cost of repairs.
10. Applicant will be responsible for any damage done to County roads.
11. This Department retains authority to change, alter, or void any or all sections of this permit should conditions warrant.

INITIAL PERMIT COST TO BE \$50.00 PLUS \$15.00 PER MONTH IN EXCESS OR ONE (1) MONTH.

NOTE: This permit only pertains to County roads. You will have to obtain permission from the Arkansas State Highway Department for the use of their facilities.
