

**PULASKI COUNTY PLANNING AND DEVELOPMENT
DEVELOPMENT PERMIT**

(Fee \$25.00*)

1. Name: _____

2. Address: _____

3. City, State, Zip: _____

4. Phone Number: _____

5. Legal Description for which this permit is to be issued: _____

6. Describe in detail the improvement to be made at the location indicated above. Use additional sheets if necessary.

7. Attach a site plan drawn to scale showing the location, dimensions, and elevation of proposed structures, and the location of the foregoing in relation to the 100-year floodplain.

8. Additionally, the following information will be attached to this application before it will be considered:

- A. Elevation in relation to mean sea level of the lowest floor (including basement) of all proposed structures and certified by a registered land surveyor or registered Professional Engineer.
- B. Elevation in relation to mean sea level to which any non-residential structure shall be floodproofed.
- C. A certificate from a registered Professional Engineer or Architect that the non-residential floodproofed structure shall meet the floodproofed criteria of Section 10(2).
- D. A description of the extent to which any watercourse or natural drainage will be altered or relocated as a result of proposed development.
